

## **List of Organizations Supporting People with Precarious Immigration Status in Toronto**

June 2020 - This represents the list of organizations OCASI collaborated with in April-June 2020 to very quickly distribute donated funds from Atkinson Foundation and WES Mariam Assefa Foundation to people with precarious immigration status that do not qualify for any income support measure or programs, for urgent relief during the COVID-19 related emergency closures. It includes only Toronto organizations involved in this one-time, urgent initiative (a few other agencies in Southern Ontario were also involved). The link to health services at the end of this document was compiled by the [Health Network for Uninsured Clients](#) based out of Wellesley Institute. It was included to provide a health service related resource for United Way cluster agencies.
